

Cardinal Allen Family and Community Association.

CAFCA (Cardinal Allen Family and Community Association) is the parental voice forum of Cardinal Allen High School. CAFCA also organises numerous family functions during the year and as a consequence raises much needed funds that benefit the students of Cardinal Allen High School.

CAFCA needs your involvement! We need current parents to become involved in any way they can. You will be contributing greatly to the school and your child's education!

Our 1st meeting is on **Monday 21st September** PE1 6-7pm. A Hot pot supper will be provided for all attending. (Children welcome)

For further details contact Mr Harding
