We believe that pupils who show respect for our school uniform deserve respect themselves. We want all our pupils to make a good first impression.

School Uniform: Why?

A simple and clear school uniform policy promotes school safety, improves discipline, and enhances the learning environment. We believe that school uniform helps to forge a single identity for the school and our pupils...like a sports team. By insisting that all pupils dress in the same way we can ensure that bullying incidents relating to a person's ability to afford the latest fashions doesn't happen. We continue to work closely with our stockists to ensure that pupils wear authentic items of school clothing within the guidelines in this policy.

If you talk to any admissions tutor or recruitment officer they will give the same message pupils get from their parents and school: ***How you dress and present yourself really matters!***

Good schools prepare their pupils for the world of work by insisting on high standards in dress and appearance. Looking clean, decent and well-groomed influences the way in which you are treated and can give you a head start in life.

Our pupils are frequently complimented on their appearance. Our rules are strongly influenced by the feedback we get from parents and carers, and also the views of our pupils. Whilst some pupils would like softer uniform rules, many pupils respect the fact that the uniform does just what it is supposed to - makes us look like a team! The high standards set by parents and carers at home are a strong guide to us and we want to reinforce this at school.

An overwhelming majority of parents and carers want their children to go to school dressed in an appropriate way, and they support our emphasis on respect for the dignity of young people. Cardinal Allen greatly values the strong backing we get from parents and carers over uniform matters.

Uniform at Cardinal Allen is **compulsory** and must be worn correctly by all pupils at all times. Every child admitted to the school has been given a place on the clear understanding that parents and carers accept and comply with our policies – no exceptions. Some pupils try to test the edges of what they can get away with, but schools where compliance with uniform regulations is strong, are able to discourage this. Pupils who repeatedly refuse to comply with this policy may well be asked to study aside from their peers.

Ensuring your child co-operates with school uniform rules is where you as a parent or carer play a key role in upholding school discipline.

Such claims as, “All my mates have one... Everybody’s wearing them... Teachers don’t mind” are almost certainly wrong. If in doubt, check with the school.

Adjustments to uniform are made from time to time. We communicate these to parents and carers in advance. We are conscious of the financial pressures on families and our uniform requirements are intended to be sensitive to these. There are rare occasions, where for cultural or ethnic reasons, parents or carers have requested that we soften our Uniform and Appearance Policy. Each case will be dealt with on its merits.

Recent concerns regarding uniform and appearance:

Hair: our expectation is that all pupils will attend school with their hair in its natural colour. There must be no extremes of style or fashion and the hair must not cover the eyes. Hair must not cover a pupil's eyes, must be no shorter than a number 2 blade, with no ridges, lines or undercut, and mullets are not permitted.

Skirts: skirts must not be rolled over at the top – if pupils do so, and choose to ignore the warning, they may incur a same day detention. Persistent offenders may be expected to wear trousers. A new school skirt was introduced for Year 7 pupils in September 2022 and is now the only acceptable style of skirt.

Clothing etc. which will be confiscated immediately: Any garment with offensive slogans or language; “Hoodies” (sports tops which are not coats but with hoods); jewellery of any kind – including earrings. Other garments inappropriate for school wear.

Non-uniform days: Normal lessons take place on these days. The only difference is that children can choose, within reason, what they want to wear. Clear guidelines are issued to all pupils before each non-uniform day about appropriate dress. Make-up, jewellery, exposed midriffs, cropped or low cut tops, short skirts, shorts and items with potentially offensive wording and logos are **not permitted. Children who do not comply will miss out on the fun!**

Educational Visits: Guidelines are issued before each event but, if pupils are informed that they are not expected to wear their uniform, the same rules apply as for non- uniform days. Separate guidance is provided for residential visits.

School Shoes: When a pupil arrives at school with inappropriate footwear, he/she will be provided with a pair of plain, black pumps for the day. We appreciate that there are occasions on which a pupils' normal shoes may be unavailable e.g. they are damaged – pupils will still be provided with a pair of pumps for the day. Pupils will not be allowed to lessons wearing trainers etc.

As a guide, the following and similar styles of shoes are allowed:
